

Cervarese S. Croce October 4th 2013.

CERTIFICATE OF CONFORMITY

HOT EASYCLEAN rubber hose.

We hereby certify that the lining of the IVG HOT EASYCLEAN rubber hose is manufactured with food quality synthetic rubber, approved by third party laboratory CERISIE as follows:

- Certificate n. 115-B/2013 dated April 29th 2013: the rubber is in compliance with the requirements of the FDA-CFR21-Parts 170 to 199-Item 177.2600 Paragraph (e) and (f) for aqueous and fatty foods.
- Certificate n. 115-A/2013 dated April 29th 2013: the rubber is in compliance with the requirements of the Recommendation XXI Kat.3 of BfR.
- Reg. CE 1935/04 and CE 2023/06.
